

Parents:

Please be aware that there is no parking anywhere in the circular drive by the main entrance at the high school. This is a fire lane and imposes a safety risk to the school and your children if you park there. Violators are subject to ticketing by the Gurnee Police Department.

When dropping off your children for practice, please park your car in the parking lot and bring them into the high school through the main entrance. There will be Directors and Team Parents there to meet you.

When picking up your children from practice, please park your car in the parking lot and come to the main entrance. Your children will be walked from the Field House to the main entrance by their Team Parents to meet you. Please do not linger in the high school when picking up your kids, our goal is to clear the high school as quickly as possible following practice each night.

Just a reminder! Per the WTCP Constitution: Any squad member picked up more than 10 minutes after the end of practice or a game is considered a late pick-up.

1st Offense - Verbal warning to parent/guardian

2nd Offense - Written warning to parent/guardian

3rd Offense - Will result in dismissal of child from the program for the rest of the season and loss of Priority Registration the following year. If a parent is more than 30 minutes late to pick up a squad member from a practice or game, this will be reviewed by the Board which could result in the permanent dismissal of the child from the program for the current season and all future seasons. The police department will be notified.

Thank you for your assistance in helping us to keep your children safe!

WTCP Board of Directors
